

MBI/LBU

1st February 2019

Dear Parent / Carer

## Year 7 Super Learning Day

On Thursday 7th February all of our students will be attending Super Learning Day in school instead of normal timetabled lessons.

Super Learning Day is The East Manchester Academy's Personal, Social, Health, Economic curriculum day. These days take place three times an academic year and are vital for our students' personal and social educational needs.

During Super Learning Day 2 Year 7 students will be taking part in a day named 'Unicef, Rights Respecting School'. During this day students will be attending lessons on their rights and responsibilities, their role in a global society, activism and 'Heroes in the last Century'.

One of the sessions will involve orienteering within the school grounds so please send the year 7 students to school in their PE kit. The students will need either trainers or boots to walk on the grass. The trainers / boots may become muddy.

For those of you wanting to learn more about the day please follow our live Twitter news feed of the day @temAcademy

Please discuss with your son / daughter prior to the day to ensure he / she is prepared for the content as well as after the day to discuss learning and how the day has changed his / her perceptions.

If you have any questions or queries about the day, please contact Ms Bulcroft at school via the school phone number.

Many thanks in advance for your support.

Yours sincerely

Ms L Bulcroft  
**Head of Social Sciences and  
Personal, Social, Health, Economic**
