

LBU/MBI

1st February 2019

Dear Parent / Carer

Year 9 Super Learning Day

On Thursday 7th February all of our students will be attending Super Learning Day in school instead of normal timetabled lessons.

Super Learning Day is The East Manchester Academy's Personal, Social, Health, Economic curriculum day. These days take place three times an academic year and are vital for our students' personal and social educational needs.

During Super Learning Day 2 Year 9 students will be taking part in a Sex and Relationship Education day. Students will be attending workshops on the dangers of pornography, risky and negative relationships, grooming and exploitation and a session with the charity Brook on contraception and consent.

For those of you wanting to learn more about the day please follow our live Twitter news feed of the day @temAcademy.

Please discuss with son / daughter prior to the day to ensure he / she is prepared for the content as well as after the day to discuss learning and how the day has changed his / her perceptions.

If you have any questions or queries about the day, please contact Ms Bulcroft at school via the school phone number.

Many thanks in advance for your support.

Yours sincerely

Ms L Bulcroft
**Head of Social Sciences and
Personal, Social, Health, Economic**
